## September Life Skill

Active Listening - to be alert and listening with your whole self

## Kindergarten Parents/Guardians

Copies of birth certificates, immunization records and current physicals are due to the office by September 8th, if you have not already provided them.. Failure to comply may result in your child being withheld from school until the above information is submitted. If you have any questions, please contact Mrs. Weiser, school nurse.

## 6th Grade Reminder

Please be sure you have provided the school office with proof of all of your child's vaccines. Every 6th grader should have received their TDap and MCV4 by the beginning of the school year.

## Absences

Parents are asked to please notify the **office** by telephone, email or written note if their child will be absent. School authorities are to account for the absence of each student so it is very important that each absence is recorded correctly. Please review the attendance policy on page 7 of your child's handbook.

## Student Birthdays

We enjoy celebrating student birthdays! However, we have had to make a few changes this year. All birthday treats must be store bought rather than home made. Treats can be dropped off in the office. Parents will not be able to stay and attend the birthday celebrations this year. Also for safety reasons, balloon and flower deliveries cannot be accepted.

## Fall Pictures

Picture order forms will be sent home with students later this month. If you are interested in purchasing a packet, be sure to complete the envelope, enclose the correct amount for your purchase and return to your child's teacher on or before picture day. Checks must be made payable to Lifetouch. Online ordering information is listed on the picture form. All students will be photographed for school records.

## Book Fair

Be on the lookout for more information about our **Groovy** upcoming Book Fair September 27 - October 1. This year's theme is: **Peace\*Love\*Read**.

Please don't hesitate to contact this office with questions concerning our school or your child. 765-762-2500
